

4.1 Rule Creation ルール構築

[Overview] This page facilitates the creation of Rules from Clips within a specified Topic Structure. It comprises of four pages: "Targets for Rule Construction," "Not Target for Rule Construction," "Rule Construction in Progress," and "Rule Construction Completed."

Rule creation

The screenshot shows the 'Rule Creation' interface. At the top, a box labeled 'Select Topic Structure' is shown with a dropdown menu 'Topic Structure' containing 'Direct input or selection'. Below this is a large button labeled 'Select Topic Structure'. A downward arrow points to the next section. The main area shows a navigation bar with four tabs: 1. Target for Rule Construction (highlighted with a red box), 2. Not Target for Rule Construction, 3. Rule Construction in Progress, and 4. Rule Construction Completed. The 'Target for Rule Construction' tab is active. Below the tabs are search and filter fields: 'Project' (dropdown), 'Document' (dropdown), 'Clip ID' (input), 'Clip status' (dropdown), 'Deviation Comment Tags' (dropdown), 'Category / Topic' (dropdown), 'Full text' (radio button), and 'Partial text' (radio button, selected). Buttons for 'Search' and 'Reset filter criteria' are present. At the bottom, a table displays a list of clips. The first few rows are as follows:

	Creation target	Section Number	Section Titles	Clip ID	Rule Creation Status	Status	Category	Topic name
Open	Target			1524287	Uncreated	Check	電線共同溝PFI事業 質問	設計条件の整理
Open	Target			131190	Creation error	Adopt	電線共同溝PFI事業 質問	入線業者等と引...
Open	Target			131202	Uncreated	Adopt	電線共同溝PFI事業 質問	協議・調整
Open	Target			131200	Uncreated	Adopt	電線共同溝PFI事業 質問	協議・調整
Open	Target			131173	Uncreated	Adopt	電線共同溝PFI事業 質問	基本的な考え方

Page ① Target for Rule Construction

Clips that have been added by Users or designated as Rule construction targets are shown. Rule construction is initiated from this page.
※Only Clips added by Users are permitted for Rule construction.

Page ② Not Target for Rule Construction

'Adopt' or 'Check' Clips detected by AI, along with those marked by Users to be excluded from Rule construction are shown.

Page ③ Rule Construction in Progress

Clips currently undergoing Rule construction are shown.

Page ④ Rule Construction Completed

All Clips that have completed Rule construction are shown.

4.1 Rule Creation ルール構築

[Overview] Rule construction can be conducted with Clips within the specified Topic Structure. Displayed Clips can be filtered by Project, Document, Clip ID, Clip Status, Comment Tags and/or Category/Topic.

Rule creation

The screenshot shows the 'Rule Creation' interface. At the top, there are dropdowns for 'Project' (Direct input or selection), 'Document' (Direct input or selection), 'Clip ID', 'Clip status', and 'Deviation Comment Tags'. Below these are buttons for 'Search' (highlighted with a pink box and number 2), 'Reset filter criteria' (highlighted with a pink box and number 3), and 'Display settings' (highlighted with a pink box and number 11). On the left, there's a sidebar with 'Browsing Hist', 'Project', 'Topic Structure', and 'Rule Creation' (highlighted with a pink box and number 4). Below the sidebar are buttons for 'Create rules' (highlighted with a pink box and number 5) and 'Change Status (Target/Not Target) in Bulk' (highlighted with a pink box and number 6). The main area displays a table of clips with columns for 'Section Titles', 'Clip ID', 'Rule Creation Status' (highlighted with a pink box and number 8), 'Status' (highlighted with a pink box and number 10), 'Category' (highlighted with a pink box and number 11), and 'Topic name'. The table shows three rows: one 'Uncreated' (highlighted with a pink box and number 7), one 'Creation error' (highlighted with a pink box and number 9), and one 'Uncreated' (highlighted with a pink box and number 10). On the far left, there are checkboxes for 'Creation target' and 'Section Number'.

Clip Display Area Clips are displayed.

⑤ Create Rules

Rule construction can be executed on Clips that are selected with the checkbox on the left side.

*This function is available in the "Target for Rule Construction" page.

⑥ Change Status in Bulk

Clips that have been checked in the checkbox to the left can be collectively set as either included or excluded from Rule construction.

*This function is available in the "Target for Rule Construction" page and the "Not Target for Rule Construction" page.

[Create rules](#)

[Change Status \(Target/Not Target\) in Bulk](#)

⑦ Creation Target

Target : Register as Clip for Rule construction.

Out of Target: Register as Clip not for Rule construction.

⑧ Rule Creation Status

Uncreated : Construction is pending.

Creation Error : Construction failed to complete due to an error.

Rule Construction Completed: Construction is complete.

⑨ Open

Open Guide View
Open Clip Details

⑩ Sort

Sorting by Rule Construction Status, Clip Status, Project Name, and Document Name, either in ascending or descending order is available.

⑪ Edit

Editing are available for Creation Target, Topic Name, Tag, Comment, and Owner's Reply.

Display Settings Area Filter displayed Clips.

① Filtering Options

Filter using Project, Document, Clip ID, Clip Status, Comment Tag and/or Category/Topic.

② Search

Once the filters are set, click on "Search" to initiate search.

③ Reset Filter Criteria

Reset and clear all applied filtering options.

④ Switch Displayed Text

Select whether to display the entire text or only a portion of the text (with adjusted height).

Features & Step-by-Step Guide

① Narrow down Clips using the filtering options

② Select the Clips to change in bulk

③ Click "Change Status (Target/Not Target) in Bulk"

Only Clips with Topic Name set can undergo Rule construction.

④ Select either "Target" or "Out of Target"

⑤ Click "OK"

4.1 Rule Creation / Open Guide View・Open Clip Details ガイドビュー・クリップ詳細を開く (All pages)

Open Guide View·
Open Clip Details

Details of the Clips and the Guide View page are accessible.

*To open the Guide View, you must be a registered member of the project to which the document is registered.

Rule creation

The screenshot displays three main pages of the SpectA application:

- Rule Creation:** Shows a list of rules. Three specific rows are highlighted with numbered circles: 1. "Open" (Target, Clip ID 127524, Uncreated), 2. "Open" (Out of target, Clip ID 127523, Uncreated), and 3. "Open" (Out of target, Clip ID 10623, Uncreated). Each row has a "Check" button and an "Adopt" button.
- Guide View:** Shows a document page with Japanese text and diagrams. A "Display settings" sidebar on the right shows "1 2 3" and a "Project Name" dropdown with "トト村_3.1".
- Clip Details:** Shows a detailed view of a specific clip. It includes a "Folder Hierarchy" table with rows for "プロジェクト", "プロジェクト", "プロジェクト", "プロジェクト", "プロジェクト", "プロジェクト", and "プロジェクト". The table has columns for "Document Name", "Section Number", "Section Title", "Page No.", "Clip ID", "Clip status", "Category", "Logic name", and "Note". A "Review Status" section at the bottom shows a progress bar at 77% and a "Score" of 77%.

Features & Step-by-Step Guide

① Click “Open” ↗

② Click “Open Guide View”

Documents in Projects where you have membership is accessible.

③ Click “Open Clip Details”

4.1 Rule Creation / Topic setting·Edit トピック名設定・編集 (All pages)

Topic setting·Edit トピック名設定・編集

Edit the Topic Name of the Clips selected for Rule construction.

Rule creation

The screenshot shows the 'Rule Creation' interface. On the left, there's a sidebar with 'Project', 'Topic Structure', 'Rule Creation' (selected), and 'Favorites'. The main area has tabs for 'Create rules' and 'Change Status (Target/Not Target) in Bulk'. A table lists clips with columns for 'Creation target', 'Clip ID', 'Status', 'Category', 'Topic name', 'Text', 'Project Folder Hierarchy', and 'Project Name'. A modal window titled 'Select a topic' is open, showing a search bar with '施設' and a list of topics. One topic, '本機関の概要', is highlighted in orange. The 'Selected topics' list at the bottom of the modal also shows '本機関の概要'.

Features & Step-by-Step Guide

① Click “”

② Select Topic Structure from the dropdown list or,

③ Enter Topic Name and press enter

Only Clips with Topic Name set can undergo Rule construction.

④ Click “”

Search results can be checked using to move forward and to move backwards.

Selected search results are highlighted in orange, while the others are highlighted in yellow.

⑤ Select Topic

⑥ Click “OK”

4.1 Rule Creation / ルール編集 (Page④)

Rule creation ルール構築

Rule creation

The screenshot shows the 'Rule Creation' interface with the 'Rule Construction Completed' tab selected. The 'Edit rules' section displays a list of rules with checkboxes and 'Target' labels. A 'Check and Edit Rules' dialog box is open, showing a table of words with their values, front/back margins, and logical operators (MUST, NOT). The 'Check' column in the list is highlighted with a pink box and a '2' callout, indicating the step to click 'Check Rule'.

No.	Words	Value	Front Margin	Back Margin	MUST	NOT
